Long Beach Public Library  
Summer Reading Program 2024

**ADVENTURE** *BEGINS AT YOUR* **LIBRARY™**

Register May 1, 2024 – May 31, 2024  
Programs begin June 1, 2024

**Our summer reading theme this year is Adventure Begins at Your Library.**

Our programs this year are geared towards the whole family, so registration will be required for all family members. The form can be completed online by going to the library's website at <https://www.longbeach.lib.ms.us> and clicking on the orange button under the Summer Reading Adventure Begins at Your Library Logo. Please fill out the form for each person who will be a participant along with appropriate age categories. There is a button on the bottom of the form that will allow you register a new participant after you have answered the last question. A confirmation email will be sent to you after registering each person for the summer reading programs. Some will be game events, some will be craft events, and all will be fun!

A Summer Challenges chart and Passport & Sticker Journal will be given out on the first program day as part of this year's summer theme. Your child can track their reading progress in minutes and keep a log of favorite titles, characters, places, etc. in their journal. Don't forget to get your Passport & Sticker Journal stamped when you check out your books.

If you have any questions, don't forget that you can email me. I'll be happy to answer questions you might have.
